

CHOITHRAM SCHOOL MANIKBAGH INDORE

CLASS IX Session: 2017-18

SUBJECT : ICT

Scheduled Date.23/02/2018

ASSIGNMENT No. 4

Submission Date. 27/02/2018

Q No.	Questions	Mark
1.	<p>Write the HTML code to get the output as shown:</p> <div data-bbox="267 363 1360 699" style="background-color: #FFC0CB; padding: 10px;"><p style="text-align: center;">Games Galore</p><p style="text-align: center;"><small>The Best Online Games Site</small></p><p>Welcome to Games Glor...the best online games site. You may view the content within this site using any client browser and you can download games to play them off-line.</p><p>Featured Games:</p><ul style="list-style-type: none">1. Puzzle Games<ul style="list-style-type: none">▪ Tetris▪ Cubis2. Card Games<ul style="list-style-type: none">○ Solitaire○ Hearts3. Action Games<ul style="list-style-type: none">○ Boom○ Final Assault</div> <p>Consider the following points while writing the code:</p> <ol style="list-style-type: none">1. Background color of the page should be "Pink", text color should be "Maroon" and link color should be "Green".2. Title of the page is "Online Games".3. Text color of the main heading on the page should be "Red".4. Font face of text in the page in the file "game.jpg".5. Use the concept of nested list to display the given list.6. Pages should be linked with:<ol style="list-style-type: none">a. Puzzle Games as "puzzle.html".b. Card Games as "card.html".c. Action Games as "action.html"	10
2.	<p>Write the HTML code to get the output as shown:</p> <div data-bbox="277 1066 1344 1629" style="background-color: #FFFF00; padding: 10px;"><p style="text-align: center;"><u>What Causes Aggression in Youth ???</u></p><p>Debates about the causes of aggression in young people loop to a number of sources. Recent research indicates that aggressive behaviour as a result of watching TV or playing video games is not a permanent condition.</p><p>Research indicates that:</p><ol style="list-style-type: none">1. No single factor indicates a likely increase in aggressive behaviour.2. Each factor adds to the cummulative likelihood of aggressive behaviour.3. Television violence accounts for 10% of children's aggressive behaviour. This is about the same effect as smoking and cancer.4. A childhood pattern of aggression indicates a 30% of later serious aggressive adolescent behaviour.5. The assets in a family make a difference in aggressive behaviour.<p>Researchers have found a number of different "risk factors" that increase the likelihood that a child or teen will engage in aggressive behaviour. These include:</p><ol style="list-style-type: none">I. Individual characteristicsII. Home environmentIII. Relationships with peersIV. Exposure to media violenceV. Community and societal factors<hr/><p style="text-align: center;">For enqueries Mail to us</p></div> <p>Consider the following points while writing the code:</p> <ol style="list-style-type: none">1. Background of page is yellow.2. The title of the page is "aggression in youth".3. Text of whole document is Verdana.4. Heading of the page is red and arial bold.5. Image used is "imageA.jpg".6. Horizontal line color is black.7. Bottom link is abc@xyz.com	10
