

## UNTANGLED

- UNTANGLED is a school-based student-led **mental health initiative** founded by **Parnika Sahu (XII F)** and **Vivan Mirchandani (X C)**.
- We're looking for bright and enthusiastic students from classes **8-12** to be a part of this initiative. It'll be a good learning opportunity for students interested in **psychology, mental health**, and gaining work experience.
- **Details** of all the **departments** along with the **Google form** will be circulated from 26th August in the **official class WhatsApp groups**.
- **The deadline to choose your department and submit the trial task is 29th August i.e. Tuesday.**
- All further details regarding UNTANGLED will be communicated via the **school notice board, assembly announcements, and official WhatsApp groups**.
- **For any queries, contact Parnika Sahu, XII F (9685415579).**
