Dear parent,

September 29, 2020

I would like to express my thanks for supporting contributions in online teaching learning process. Teachers are putting a lot of efforts to explain the utility of the concept in real life by different. Now it's a time to assess the students for their learning.

We have planned to assess students in different aspects in form of Half Yearly Examination.

The Pattern of Online Assessment (Half Yearly Examination) for classes IX to XII is as follow:

Phase	Type of Test	Marks	Time
I	MCQ (Objective)	30	30 min
II	Pen & Paper (Descriptive)	50	90 min
III	Viva	10	As per requirement
IV	Assignment	10	

The Examination will be conducted in Four phases:

Phase I- MCQ test- will be taken on school website of 30 questions of 30 minutes as per the time table.

Phase II- Pen and Paper Test- As per the time table question paper will be visible to the students after login through Student's login on School's Website. **Students have to solve the question paper and upload PDF of answer sheet in Google classroom on or before 11:45 am. Students have to put their signature on the right top of each page.** If student fails to submit the answer sheet within stipulated time, He / she will be marked as ABSENT.

Phase III – Viva - Subject teachers will take oral test in respective Google classrooms. Time slots for the same would be scheduled by the subject teacher only. Nature of the test may vary subject to subject. It will be explained by the respective subject teacher in the classroom.

Phase IV – Assignment - Assignments are being submitted by students in the classroom. The weightage would be given on submitted assignment by the subject teacher.
