Greetings of the Day!

As we navigate through the scorching summer, we prioritize the well-being of our students. Considering the extreme heat, we have decided to extend the summer holidays by one week of time. This additional time off will allow our students to recharge and stay safe during the hot weather.

I would like to draw your attention on the following points:

- The summer holidays for students have been extended until June 22, 2024. We encourage students to stay indoors, keep hydrated, and avoid exposure to direct sunlight during this period.
- The academic session 2024-25 will commence from Monday, June 24, 2024 as per the given below:

Our dedicated teaching staff is preparing to welcome students back for an exciting and enriching learning experience.
